

# **IMPORTANT MEETING REGARDING FLOOD CONTROL!**

*Darlove area flooding, 2001*

Your comments are needed in support of the Big Sunflower River Maintenance Project December 3, 2002 at South Delta High School in Rolling Fork, MS.

Over 4000 square miles of the Mississippi Delta from north of Clarksdale to Valley Park rely on the Sunflower River to safely pass flood waters through the Delta. The

Levee Board believes this project is crucial for the future of flood control in the Delta and, consequently, for the future of our economy and for the protection of our homes and businesses.
